The Canton Museum of Art (CMA) is one of Ohio's premier locations for an exceptional visual arts experience. CMA is recognized for its powerful national touring exhibits and original CMA-produced exhibits; an unrivaled Permanent Collection of American watercolors and contemporary ceramics; and innovative education outreach programs.

Mission

CMA provides opportunities for people to be entertained, excited and educated by art through dynamic exhibits, a growing Permanent Collection and comprehensive community outreach programs.

Vision

- Serve Stark County and the surrounding region as an exciting venue for exhibition of art.
- Program and produce exhibitions that educate, entertain and engage our audiences.
- Collaborate with other arts organizations to promote CMA and the region as a destination for cultural enrichment.
- Grow as a vibrant and supportive member of the regional economic community.

Exhibitions & Collections

- CMA presents an ever-changing program of dynamic exhibitions in 10,000 square feet of gallery space.
- The Permanent Collection represents American works on paper from the 19th century through today, and American ceramics from the 1950s forward — 1,300+ works valued at \$25.0 million.

Education Programs

- 20 - 30 studio art classes and workshops are offered to children, teens and adults, 3 times per year.
- Free school tours offered to area schools, as well as in-school and in-museum arts education programming.
- The Museum annually hosts the Stark County High School Art Exhibition and awards \$2,000 in a scholarship competition.

Since 1991, CMA has proudly presented the Stark County High School Art Exhibition (March - April). Any high school in Stark County or connected with the Stark County ESC is invited to participate.
