\$15 per student, \$12 for Members

### SUPERPOWERS

TODDLER PLUS 1 ADULT INCLUDED

3/01/22 from 10:30am - 11:30am

\$15 per student, \$12 for Members

You and your child will be immersed in multisensory art making activity stations for toddlers and adults to enjoy together. Explore the Pop Art on display in the exhibit, "POP!" and see artwork created by famous artists like Andy Warhol, Roy Lichtenstein, Jeff Koons and more! Then create an assortment of art inspired by Pop Art using a variety of mixed media materials.

Now offering this Art Play Date in-person! Parents, come join your little artists in this exciting daytime workshop. Gather inspiration from the chemistry used in the artwork on display, "One Ball Total Equilibrium" by Jeff Koons. Then join us as art and science collide through this unique opportunity to combine art-making materials and science using everyday materials.

Have fun learning and playing together while helping your little artist get started in the world of art. See and gather inspiration from the superheroes in the exhibit, "Marvelocity: The Art of Alex Ross." Alex Ross is considered one of the greatest artists in the field of comic books of our time! Then create an assortment of super power themed art using a variety of mixed media materials.

## KIDS WORKSHOPS - WINTER SESSION:

### AGES 6 to 9 WORKSHOPS

#### NEW! SUPERHERO CAPES

Gather inspiration from the superheroes in the exhibit, "Marvelocity: The Art of Alex Ross." Then participate in a fun brainstorming activity to discover what your real-life superpower is. Get hands-on and design and decorate your own unique superhero cape! \*Cost includes all supplies

##### ONE-DAY WORKSHOP

1/26/22 from 5:30pm - 7:00pm  
\$15 per student, \$12 for Members

#### NEW! SCULPEY ACTION FIGURES

See and gather inspiration from the superheroes in the exhibit, "Marvelocity: The Art of Alex Ross." Then design your own unique character on paper. Once the action figure is designed, use wire to create an armature skeleton to build off of to bring your drawing to life with sculpey clay. Instructions will be sent home on how to bake in the oven to harden.

\*Cost includes all supplies

##### ONE-DAY WORKSHOP

2/17/22 from 5:30pm - 7:30pm  
\$22 per student, \$18 for Members

### AGES 9 to 12 WORKSHOPS

#### ARTCHEMIST *experiments*

NEW!

Inspired by the chemical processes used in the artwork, "One Ball Total Equilibrium Tank" by Jeff Koons. Throughout this workshop, students will learn more about this piece and have the opportunity to see it on display, create several chemistry and art creations, and pick one piece to display in the community art project!

\*Cost includes all supplies

##### ONE-DAY WORKSHOP

2/09/22 from 5:30pm - 7:00pm  
\$19 per student, \$15 for Members

#### OPTICAL ART *illusions*

NEW!

Now offering this NEW one-time workshop in-person! Learn to create abstract optical illusions with math, rulers, and eye for design to create Op Art spheres. Learn about and get inspired by famous Op Art artist Victor Vasarely.

\*Cost includes all supplies

##### ONE-DAY WORKSHOP

2/23/22  
5:30pm - 7:00pm  
\$15 per student, \$12 for Members

#### NEW! POP ART SIGNS

Ka-Pow! Wham! Bang! Join us as we create Pop Art inspired artwork that looks like neon signs! Visit the exhibit, "POP!" and see some of the original comic strip inspired artwork that started it all, created by artist Roy Lichtenstein himself. Use neon Model Magic (air dry clay), to create these unique signs using your own onomatopoeia (words that imitate natural sounds) word.

##### ONE-DAY WORKSHOP

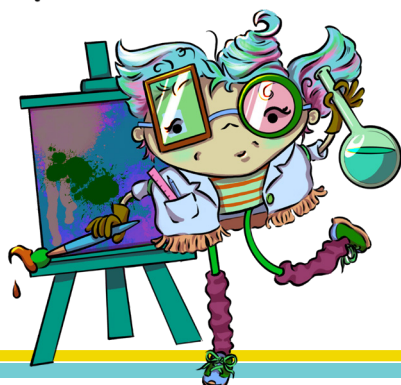

3/03/22  
5:30pm - 7:00pm  
\$19 per student, \$15 for Members

### AGES 8 to 11 WORKSHOPS

\* Approved for distribution.  
CMA Employees are (FBI/BCI)  
background checked

## THE ARTCHEMIST PROJECT

The ArtChemist Project is a month-long (February 2022), multifaceted community art project (based off of "One Ball Total Equilibrium Tank" by Jeff Koons, on loan from Art Bridges for our "POP!" exhibit), designed to explore what happens when chemistry and art collide.

The ArtChemist Project will include free chemistry art kits, a community art installation at CMA, a free Family Day on 2/22/22, a virtual unveiling celebration of the final installation, and more!

Learn more about how YOU can participate at:  
[cantonart.org/theartchemistproject](http://cantonart.org/theartchemistproject)
